Garvan Institute of Medical Research is recognised as a world leader in fundamental research aimed at discovering cures or better treatments for a range of diseases.

Scientists at the Garvan Institute of Medical Research conduct fundamental research across five areas: Cancer, Diabetes and Obesity, Immunology, Osteoporosis and Neuroscience.

We depend upon financial support from the Australian community. Every single gift, whatever the size, makes an important contribution to our breakthrough medical research.

For more information about Garvan's work, you are invited to call **1300 73 66 77** or visit **www.garvan.org.au**

The Garvan Research Foundation is the marketing and fundraising arm of the Garvan Institute. ABN: 91 042 722 738

All donations \$2 and over are fully tax deductible GAR1036

PROFESSOR JOHN MATTICK ~ AO FFA
 EXECUTIVE DIRECTOR

Your celebration gift to Garvan today will enable us to continue our medical research work aimed at discovering cures or better treatments for a range of diseases. Your donation represents a truly wonderful way for you to mark this special occasion; as it will enable us to continue our work for the benefit of generations to come and help give new hope to sufferers and their families around Australia and throughout the world. Thank you sincerely for marking this celebration with your generosity and humanity. Knowing that your gift will bring hope to so many makes this day even more special.
