

Garvan Institute Bequest Confidential Enquiry Form

“A gift in your Will to the Garvan Institute is a special way of contributing to the medical breakthroughs of tomorrow.”

– Prof. John Mattick AO FAA, Executive Director of Garvan Institute of Medical Research

The Garvan Institute is leading the way with breakthrough research in Bone Biology, Cancer, Diabetes and Metabolism, Genomics and Epigenetics, Immunology and Neuroscience.

Leaving a bequest will serve to honour your memory and be a legacy of lasting hope for future generations.

Bequests, both large and small, play a vital role in funding research projects into a range of diseases. Many of our friends, relatives or even us will be affected by a disease Garvan researches. Whether it’s cancer, dementia, asthma or other immune disorders, diabetes or osteoporosis, Garvan has a history of major discoveries that have impacted human health.

Please indicate your enquiry below:

- I am thinking about including Garvan in my Will but I would like more information before I make this decision. Please send me a bequest brochure (in confidence).
- I have a Will and intend to change it to mention Garvan in the revised version. Please send me the correct wording for my Will to discuss with my Solicitor.
- I have already mentioned Garvan in my Will.

Title: _____ First Name: _____ Surname: _____

Address: _____

Postcode: _____
