

Your Invitation

to become a Young Garvan Patron and contribute to breakthrough medical research...

As a **Young Garvan Patron** you will directly contribute to funding the annual Young Garvan Postdoctoral Fellowship, which enables a young scientist to broaden their experience by working on a key research project at the Garvan Institute.

Garvan scientists have achieved many exciting, life-changing breakthroughs over the years and the Young Garvan Fellowship continues to strengthen the Institute's reputation as a leader in gene based research.

For **\$120 per year**, you will enjoy **four** benefits of being a Young Garvan Patron:

- 1/ Entry to the **three** Young Garvan forums each year
- 2/ A Patron's Behind-the-Scenes tour of the Institute
- 3/ **Two** discounted tickets to the Young Garvan End-of-Year Gala Event
- 4/ Membership of Young Garvan Patrons Group on *facebook, twitter and Linked In* where you can connect with like-minded individuals

How do I become a Young Garvan Patron?

Simply complete the Young Garvan Patron application form (overleaf) and hand it to one of the Young Garvan committee members tonight,

OR

Visit the Young Garvan section of the Garvan Institute website and fill in the online application form
www.garvan.org.au

Annual membership of the Young Garvan Patron program runs from 1 July 2009 through to 30 June 2010.

“Our ability to carry out breakthrough medical research is made possible by the contributions of individuals like yourself. Thank you for becoming a Young Garvan Patron.”

Professor John Shine
Director, Garvan Institute of Medical Research
